

PAS/IRC donated medical materials requested by the Continuing Professional Development Center of the Federal Ministry of Health in Khartoum on February 21, 2011. Regional Medical Officer Dr. Narinder Trehan made the presentation to Dr. Mohamed Al Haddi, Deputy Director of the Center, which organizes training courses for doctors and other medical staff from all over Sudan. The donated materials will be used for training purposes and were originally requested during a visit to the Center by IRO Sheila Weir and IRC Director in December 2010.
